Hey! I'm Dunni.

I'm your Coach from Major League Hacking (MLH) this weekend. Fun facts about me:

- Studying **CSES @ Georgetown University #saxaa**
- I attended my **first hackathon in 2019**
- My **favorite AI tool is Cursor**

Everything you need this weekend:

The MLH Community is the best thing that happened to me and my career ❤️

Brandon Barker
@projectbarks

MLH helped me become a better engineer than any internship or school ever could.

Emily Huang
@huang-emily

MLH taught me skills that set me apart from my peers & led to an amazing job at Microsoft!

Nigel Brown
@pnbrown

The skills & network I gained through MLH helped me land a great job at IBM.

Jessie Nguyen
@jessie_anh_ng

This summer was one of the most life changing experiences for me thanks to MLH.

MLH

The world's largest developer community.

Nearly **15% of all Software Engineers** got their start here in the MLH Community.

Through hackathons, internships, content, & more, MLH helps you **learn the skills & technologies you need** for your career.
